Coach Adams' Comments: *"I have known Elisha (a.k.a. Mouse) for several years and I have enjoyed having her on my team and even playing against. Mouse is highly intelligent and definitely a student of the game and I am looking forward to her contributions both on the field and in the dugout. Being an older member of the team who already drives, has a job, and takes college classes Mouse will have the opportunity to lead and set the right example for her teammates."*
