

2018 North Cincy Softball League (NCSL) Spring Rules

Rules Common to all Leagues

1. All rules not specifically modified will be played under USSSA Rules for Softball. For a full copy of the USSSA rules – please go to www.ussa.com
2. All teams provide their own insurance and equipment.
3. The home team shall furnish a **NEW** game ball and good used ball for backup.
4. Coaches are held responsible for the conduct of players and fans of their team. If an umpire is having a problem with unruly fans, the coach will be asked to take care of the situation. If the problem persists, the umpire has the right to cancel the remainder of the game and declare a forfeit victory for the opposing team.
5. **No organized infield practice before the games.** Teams may warm up beyond the baselines or in foul territory only.
6. **No hitting balls against chain link fences.**
7. **No Hit sticks are to be used once the first game begins at any park.**
8. CONTINUOUS BATTING: A continuous batting rule will be used allowing managers to bat all of the players in attendance. In the event any player suffers an injury or must leave the game for any reason (except ejection) the team involved will not be forced to take an out when that player's turn comes up in the batting order. If a player is EJECTED, the team involved MUST TAKE AN OUT when that spot in the order comes up.
9. Unlimited substitution is allowed.
10. Courtesy Runner: A courtesy runner may be used for the pitcher or catcher at any time. The runner shall be the player that made the last out, or in the first inning, the last batter in the line-up.
11. No protests. Umpires decisions are final.
12. MUST PLAY RULE: Every player who is present for a game must play at least two (2) innings of defense prior to the end of the fourth inning.
13. Only positive cheering directed at your own team or players is permitted. (No screaming or taunting of the other team or players will be tolerated.)
14. **TIME LIMIT:** No new inning shall start after the time designated in the rules for each league. Ties are permitted.
15. No tobacco in the parks. No alcoholic beverages permitted.
16. **Intentionally** throwing of equipment will result in the player being ejected for the game. **Unintentionally** throwing of the equipment will be an out after one warning per team (at the discretion of the umpire).

17. Expedite the Game: Umpires are being instructed to strictly adhere to the rules between half-innings for getting teams quickly on and off the field. In addition, umpires are urged to follow the 60 second time limit for getting teams on the field. If a team is taking too much time, the umpire can call a ball on the first batter for each 10 seconds late. Pitchers will be allowed five pitches between half innings in the first inning only and only three pitches between half innings from the second inning on.
18. The League strongly recommends that a coach remove a pitcher that has hit numerous batters and/or displays little or no pitch control during the game.

5. All NCSL Tournament games will be played until completion unless a team is ahead by mercy rules as defined by league specific rules. In the event of a weather delay or game suspension, resuming the game and playing to Official, Regulation or Complete game is not mandatory and may be shortened to any length as determined by the NCSL League Director.
6. Awards will be given to the winners and runners-up of each tournament.

2. The total delay time permitted for any regular season game is 45 minutes. In the event the delay time exceeds 45 minutes, the game shall be called by the umpire(s) due to inclement weather as outlined in Rule 3. If after a delay, the game resumes, game time limits still apply.
3. Regular season games called due to inclement weather, in which the minimum number of innings to make the game official has not been reached, will be rescheduled at a later date. Game time limits still apply. Both coaches and the Umpire must sign the home team's scorebook which will be the official record of the game status upon restart.
4. Rescheduled games will be resumed from the exact point the game was halted.

Any additional offenses during the game will result in the umpire calling the player(s) out.

10U Player Pitch Rule Exceptions:

1. **RUN LIMIT:** A maximum of five (5) runs will be counted in any single inning.
EXCEPTION: The per inning run rule will be lifted in the 6th inning only! It will remain in effect for all prior innings, even if a team is down by more than 5 runs and the game is about to end due to Mercy Rule or the Time Limit.
2. **MERCY RULE:** If the winning team leads by 12 runs after the losing team bats in the 5th inning, the game is over.
3. **TIME LIMIT:** No New Inning after 1:30
4. An eleven (11) inch ball will be used.
5. This age group will allow teams to play up to 10 players in the field (6 infielders including pitcher & catcher, and 4 outfielders). Outfield positions must be at least 20 feet behind the normal base path at the start of the pitch.
6. Batters will be declared out when the catcher drops a third strike. Base runners can still advance in this situation with less than two outs.
7. **STEALING:** A base runner can attempt a steal of the next base when the ball leaves the pitcher's hand. Base runners are limited to stealing one base per legal delivery. ***NO STEALING OF HOME IS ALLOWED in the 10U-B divisions.*** After the pitch, a runner on third may advance home if there is an attempt made to pick-off the runner at third base. The runner must still adhere to the one base per legal delivery requirement, meaning that they must have already acquired third base at the time of the pick-off attempt. A runner that steals third base cannot advance to home on an errant throw from the catcher that is an attempt to put them out on the steal
 - a. ***In the 10U-A division only, a runner may advance to home on a passed ball (i.e. players are allowed to steal home). Cannot be done immediately after an attempt to steal 3rd base. Players are still limited to one base per steal attempt.***
8. Stealing second base in conjunction with a base on balls is not allowed.
9. Infield fly rule is not in effect.
10. In the 10U-South division only, there will be a maximum of one additional base on an overthrow from any position. For example, an overthrow occurs on runner at 1st base, the runner is allowed one base (i.e. is allowed to go to 2nd base). However, if the runner does not attempt to advance to 2nd base, the runner is not awarded 2nd base. The base must be earned by the runner. ***This applies to all runners on the bases and the batter-runner.***
11. ***At 10U-B (both North and South Levels), for both the look back rule and leaving the base early - there will be one warning per team per game given - subsequent occurrences will result in the runner being declared out.***

12. Umpires are instructed to be flexible with the pitchers due to the fact that this age group represents the beginning level of instruction. We encourage umpires to discuss technical flaws in pitching mechanics with coaches **after** the game, rather than holding up the game. Coaches are also advised not to hold up games by "nit picking" the technical flaws of the opposing pitchers.

13. Pitching Rule/Guideline for 10U-B (Both North and South) - Managers and Coaches are to teach the girls the proper technique for pitching; however, in the spirit of focusing the girls' efforts on throwing strikes, the umpires have been asked to relax their interpretation of the above rules for all games in the 10U-B Leagues. Any style of pitching is acceptable as long as upon release of the ball one foot is in contact with the pitching rubber and the pitcher is properly dragging her back foot.

14. In the 10U-B South division only - There shall be NO WALKS. If the batter receives a ball four (4) count, the team manager of the hitting team, or his/her designee, shall pitch a maximum of three (3) pitches to the batter.

- a. The strike count will continue from its previous point when the ball four (4) count was achieved, and umpires will continue to call swinging strikes.**
- b. If during the first or second coach pitch, the batter receives a third non-foul swinging strike, the batter shall be called out. In the event the batter fouls the coach's third pitch, the batters at-bat continues until she either puts the ball in play, swings and misses, or takes another subsequent pitch.**
- c. There is no stealing, bunting or hit-by-pitches allowed while the manager of the hitting team, or his/her designee, is pitching.**
- d. The maximum bases a player can advance during the coach pitch portion is one (1) base. That applies to all runners and the batter.**

12U/14U Player Pitch Rule Exceptions:

1. **RUN LIMIT:** A maximum of six (6) runs will be counted in any single inning.
EXCEPTION: The per inning run rule will be lifted in the 7th inning only! It will remain in effect for all prior innings, even if a team is down by more than 6 runs and the game is about to end due to Mercy Rule or the Time Limit.
2. **MERCY RULE:** If the winning team leads by 12 runs after the losing team bats in the 5th inning, the game is over.
3. **TIME LIMIT:** No new inning after 1:50
4. All players must play at least two innings of defense prior to the end of the 4th inning.
5. Umpires are to enforce rules of pitching for all 12-A, 12U-North and 14U level games. I.e. Don't allow a pitcher to step backwards off the rubber or crow hop/lift the push off leg off the ground.

All Divisions/Ages

1. *Once a pitcher hits three (3) batters in one inning, she must be removed for the remainder of the inning. If a pitcher hits six (6) batters total, she cannot pitch the remainder of the game.*
2. *This will be at umpires' discretion only – and cannot be argued – same as balls/strikes and other judgment calls. The umpire has discretion to not count HP that occurs for example, when a ball rolls into a player.*
