All Player Evaluations: Held on Feb 4th and 10th - must register for one date and time. Each player will be placed in a division that is appropriate for his/her skill level. Please see the general breakdown of skills for each division on the volleyball page of the LSO site (Passers/Setters/Peppers/Spikers). Players will accept or decline being placed in the Peppers or Spikers division due to additional cost. These will be our upper level divisions of play.

Season Dates: Practices begin week of March 19, while games begin in April (7-8 games)

First Contact: Coaches will contact all players by: March 10, 2018

Player Equipment needs: Players will receive team jerseys. Players are required to wear knee pads at all practices and games. Players will also need to wear athletic shorts for games and practices. Volleylite balls will be used for all ages. Balls will be provided for games & practices, though it is encouraged to purchase a volleylite ball for home practice.

Additional League Information: All games and practices will be held on weeknights. Teams will practice twice a week for the first 2 weeks and then go to once a week when games begin. (There is NO play over springbreak)
