**Volleyball – Angie Schmidt (DOC)**

- Report
- We will be using Gametime and Lakota schools for our fall season.
- There is 1 registration option that will remain open for Fall Season but we will have evaluations for 2 upper divisions of play for 4-9th grade.
- Planning for these divisions to play in the Cincy Premier league.

**Flag Football – Jim Webster**

- Report
- Spring season concluded June 12<sup>th</sup>. Season went smooth. We had 22 teams which was a record for a spring season. (11-12 players per team, generally)
- Looking forward to the fall season, I expect 40 teams (estimate) which also will be our largest number of teams/participants.

- For fall and forward we want to advertise as much as possible the ability for kids to play in 8<sup>th</sup> grade and even higher. I have had several people ask to play or their child play. This would likely lead to an additional 6 teams or so, (60 participants) above the projected 40 teams above and would consist of players that would typically have aged out of the program.
- With flag, we have the bandwidth to field as many teams as we can. The fields are readily available all day.
- For fall, we will have a couple St John 23 teams join us again. This has been a great partnership. They play games at our fields, but practice at their fields. They host one game during the season.
- We also have a couple FC teams wanting to give flag a try. (They are not leaving soccer; they plan to play flag in the morning and soccer in the afternoon)

- Report
- Good success with the program. In the month of May and June we have had 10+ runner up or tournament champions in the program.
- We are drawing more interest to the program. While some of the interest is drawn from rec, we are seeing a lot of pre-registrations for tryouts from players that were in other organizations, ie. Crush. Our tryout pre-registration count is high and we still have a couple of weeks before the bulk of tryouts even start.

- I am extremely proud of the coaches and players in DE. I witness great coaches on the Diamond, behaving well, and being positive role models. A lot of our teams retain their players. LSO select baseball is not a cut-throat select model. DE coaches are encouraged to retain players and coach the players to success. It works. I believe the community notices the difference.
- Jon Schaffner is having the 12U SWOL tournament this weekend... LSO role... hosting the tournament at WJL. My role... Primarily concessions. Help with field prep. (Jon is the tournament director and must manage the majority)
- If anyone is willing to help me next weekend, please let me know. The generated revenue for LSO is in the form of concessions dollars and gate fees the teams must pay to play. (Saturday is the primary day I may need help) I have to coach my sons last rookie game of the season Saturday evening and my other boy has an end of season get together.
